## DETAILED ACTION

### ***Allowable Subject Matter***

1. Claims 43-45 and 47-62 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The primary reason for the indication of the allowability of claims 43-45 and 47-62 is the inclusion therein, in combination as currently claimed, of the limitation of the use of the applying an external voltage to bonding-option to indicate whether the IC chip is to provide a standard pattern for the reversible bonding pads, and to control signal from the voltage state bonding pad. This limitation is found in claims 43-45 and 47-62 and is neither disclosed nor taught by the prior art of record, alone or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
